The N.O.C. for Road cutting is subject to the following conditions :

1. Necessary precautionary measures be taken while digging the trench.
2. Traffic on the road should not be disrupted while digging the road or while carrying out the work.
3. Excavated trench should be properly refilled after laying the pipeline for water connection at the road level.
4. Cutting portion should be filled with cement concrete with road level and excavated earth should be cleared from this road for safety to avoid accidents.
5. The Sub-Div. IV of this Office (Division) may be informed the time bound programme of Road Cutting as and when the work will be taken up.
6. After the work of laying the pipeline is completed, you have to fill-up the cutting with cement concrete at your own cost.
7. N.O.C. is valid for 90 days only.

Yours faithfully,

*Mannude*
